**THE MITRE CORPORATION
SOFTWARE LICENSE AGREEMENT
FOR CROWN JEWELS ANALYSIS**

Licensee Name and Address:

THIS SOFTWARE LICENSE AGREEMENT FOR CROWN JEWELS ANALYSIS (“Agreement”), is made by and between The MITRE Corporation (“MITRE”), a Delaware not-for-profit corporation, with offices at 7515 Colshire Drive, McLean, Virginia 22102-3481, and the above referenced licensee (“Licensee”), and is effective as of the last date executed below (“Effective Date”). It is understood by the parties to this Agreement that MITRE has developed and is the owner of the Crown Jewels Analysis (“CJA”) software and related technologies (collectively referred to as the “CJA Software”, as further described in Appendix A, attached hereto and incorporated herein).

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants, promises and conditions set forth herein, the parties hereto agree as follows:

1. License.

1.1 Grant of License.

(a) Subject to the terms contained herein, MITRE hereby grants and Licensee hereby accepts a limited, non-refundable, non-transferable, non-exclusive license to use, copy, and to modify the CJA Software solely for Licensee’s internal use and solely within the United States. The CJA Software shall not be used for commercial purposes.

(b) Licensee shall not distribute the CJA Software to any third party in any manner. Licensee shall not investigate, produce, install, distribute, market, or in any way use the CJA Software in any manner inconsistent with the limited rights expressly conferred by this Agreement.

(c) Licensee acknowledges and agrees that the CJA Software is and shall remain the sole, exclusive, and proprietary property of MITRE. Except as otherwise provided herein, MITRE is not obligated to provide support for the CJA Software. Within twelve (12) months of the Effective Date, MITRE will provide up to eight (8) hours of technical support to Licensee upon Licensee’s request and the parties’ mutual agreement of the dates and times of such support.

(d) Licensee shall not use the names of The MITRE Corporation, MITRE, nor any adaptation thereof

without the prior written consent of MITRE, and Licensee agrees that it shall not create, market, or use, in any way, any company name, domain name or website that incorporates MITRE without the express permission and consent of MITRE.

1.2 Non-Disclosure. The license granted herein includes the disclosure to Licensee of certain proprietary information and data, including, but not limited to, the CJA Software. Such information and data shall be protected by Licensee from disclosure, duplication, or reproduction, in whole or in part, except as necessary to fulfill Licensee’s activities authorized herein. Such information and data shall be used solely for the purpose of fulfilling the requirements of this Agreement and shall not be transferred or disclosed to any other entity without the prior, written authorization of MITRE, except as authorized herein. Such information and data shall be disclosed only to Licensee’s employees who have a demonstrated need to know and are informed of the restrictions contained in this provision. Licensee shall employ diligent efforts to maintain the confidentiality of the information and data supplied to it by MITRE herein. Such reasonable care and action shall be at least equivalent to that which Licensee would normally be expected to exercise with regard to its own intellectual property or information and data which it

maintains as confidential or proprietary. If a nondisclosure agreement (“NDA”) exists and applies between MITRE and Licensee related to any portion of the subject matter of this Agreement, then that NDA shall be considered a part of this Agreement and incorporated herein. In the event of a conflict between this Agreement and the NDA regarding the protection and handling of information, the more restrictive provision shall apply. Notwithstanding anything to the contrary herein or in the NDA, MITRE may disclose to third parties and publicize the existence of this Agreement with Licensee, the patents and technology licensed, and if applicable, the domain in which the technology will be utilized.

2. Term. The term of the license grant and this Agreement shall commence on the Effective Date and shall continue for a period of two (2) years unless earlier terminated in accordance with Section 5 of this Agreement.

3. Title. The CJA Software is the confidential and proprietary information of MITRE. The CJA Software, including, by way of example but not by limitation, all written materials, text or graphics contained in any media, and audiovisual materials, are the copyrighted and proprietary works of MITRE. Nothing in this Agreement shall be construed to grant to Licensee any ownership or other interest in the CJA Software or any patents other than the license set forth in Section 1 of this Agreement. All rights, including rights to patents, copyrights, trade secrets, or other intellectual property rights not otherwise expressly granted in writing to Licensee are and shall remain solely and exclusively in MITRE. If MITRE exercises its right to enforce and defend any patent or other intellectual property right associated with the CJA Software and requests Licensee’s support during any such enforcement or defense, Licensee agrees to cooperate with MITRE, and MITRE will reimburse any reasonable expenses associated with Licensee’s cooperation.

4. Fees and Payments.

4.1 License Fee. Upon execution of this Agreement Licensee shall pay MITRE a one-time, non-refundable license fee of \$30,000.00 (“License Fee”). If Licensee’s procedures require that an invoice be submitted before payment of the License Fee can be made, then Licensee will be responsible for using the Agreement as an invoice.

4.2 Payment. All fees are quoted in and due and payable in U.S. Dollars and do not include any duties or taxes. Licensee shall pay all federal, state, and local

sales, use, or other applicable taxes that may be imposed upon the provision or the use of the CJA Software and/or services; and to the extent that such taxes are required to be withheld from payments due hereunder, the payment shall be grossed up such that MITRE receives a payment net of such withholding equal to the payment otherwise due hereunder.

4.3 Late Payment Charge. Amounts that are not paid when due shall incur interest from the due date until paid, at a rate equal to one and one-half percent (1.5%) per month (or the maximum allowed by law, if less).

5. Warranty Disclaimer, Limitation of Liability. THE CJA SOFTWARE IS PROVIDED “AS IS” WITHOUT ANY WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, ACCURACY, TITLE, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE. MITRE DOES NOT WARRANT THAT THE CJA SOFTWARE OR ANY INFORMATION DERIVED FROM THE CJA SOFTWARE WILL FULFILL ANY OF LICENSEE’S PARTICULAR PURPOSES OR NEEDS.

IN NO EVENT SHALL MITRE BE LIABLE FOR ANY GENERAL, CONSEQUENTIAL, INDIRECT, INCIDENTAL, EXEMPLARY OR SPECIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR FOR THE USE BY LICENSEE OF THE CJA SOFTWARE, EVEN IF MITRE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

LICENSEE HEREBY INDEMNIFIES AND HOLDS HARMLESS MITRE, MITRE’S BOARD OF TRUSTEES, OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL LIABILITY FOR DAMAGES WHICH MAY ARISE FROM LICENSEE’S USE OF THE CJA SOFTWARE HEREUNDER OR ANY THIRD PARTY’S USE OF THE CJA SOFTWARE AS PROVIDED FOR UNDER THIS AGREEMENT. SUCH INDEMNIFICATION SHALL INCLUDE, BUT NOT BE LIMITED TO, USE OF THE CJA SOFTWARE AND ANY SYSTEM PRODUCED BY LICENSEE, OR FOR ANY OTHER USE AUTHORIZED UNDER THE TERMS OF THIS AGREEMENT, AND SHALL INCLUDE ANY AND ALL DAMAGES, INCLUDING ATTORNEYS’ FEES AND ANY OTHER RELATED COSTS AND EXPENSES. ADDITIONALLY, MITRE SHALL NOT BE LIABLE FOR DAMAGES ARISING UNDER

ANY USE OF THE CJA SOFTWARE NOT AUTHORIZED HEREUNDER.

6. Termination Rights and Obligations. This Agreement may be terminated by MITRE for any material breach of this Agreement by Licensee which is not cured within thirty (30) days of MITRE's written notice to Licensee of such breach. Upon expiration of the term of this Agreement or in the event of the termination of this Agreement for any reason:, (i) Licensee shall immediately cease use of the CJA Software; (ii) Licensee shall return to MITRE all copies of the CJA Software provided to it by MITRE, as well as all copies of the CJA Software in its possession or control; (iii) Licensee's payment obligations under Section 4 shall become fully payable; and (iv) all rights and obligations of the parties under this Agreement shall cease, except the following provisions will survive the expiration or any termination of this Agreement: Sections 1.2 (Non-Disclosure), 3 (Title), 5 (Warranty Disclaimer, Limitation of Liability), 8 (Export Control Regulations), 14 (Non-solicitation of Employees), 15 (Assignment), 16 (Governing Law) , and those that by their nature survive expiration or termination.

Notice given by next-day delivery shall be deemed to have been given upon the date sent to the recipient.

8. Export Control Regulations. The export from the United States or the subsequent re-export of the CJA Software is subject to compliance with United States export control and munitions control restrictions. Licensee agrees that in the event it seeks to export the CJA Software or related information, it assumes full responsibility for obtaining all necessary export licenses and approvals and for assuring compliance with applicable re-export restrictions.

9. Government Rights. Portions of the PSM Technology were produced for the U.S. Government under various contracts or funded by internal research and development funds and the U.S. Government retains certain rights in the PSM Technology.

10. Amendment. This Agreement may not be amended, modified, or extended except by a written instrument signed by an authorized representative of MITRE and Licensee.

11. Relationship of the Parties. Nothing contained in this Agreement shall be deemed to constitute either party as the agent or representative of the other party, or both parties as joint venturers or partners for any purpose.

12. Waiver and Severability. Any failure of MITRE to enforce, at any time or for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of the right of MITRE to enforce such provisions unless said waiver is in writing and signed by an authorized representative of MITRE. If any term, condition, or provision in this Agreement is found to be invalid, unlawful, or unenforceable to any extent, the parties shall endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on such an amendment, such invalid term, condition or provision will be severed from the remaining terms, conditions and provisions, which will continue to be valid and enforceable to the fullest extent permitted by law.

The foregoing restrictions shall apply and continue for a period of three (3) years from the Effective Date.

15. Assignment. Licensee shall not assign, transfer, or otherwise dispose of its rights under this Agreement, except that Licensee shall have the right to assign all rights and obligations in full to a single U.S. subsidiary in which Licensee is fifty percent (50%) or more owner. Licensee shall provide MITRE prompt written notice of any such assignment, but no later than thirty (30) days

following assignment. Any assignment in contravention of the foregoing shall be null and void.

16. Governing Law. This Agreement and all disputes or claims arising out of or related to this Agreement shall be governed, construed, and enforced in accordance with the laws of the Commonwealth of Virginia, without regard to Virginia conflicts of laws rules.
