In the event that a non-disclosure agreement (“NDA”) exists and applies between MITRE and Licensee related to any portion of the subject matter of this Agreement, that NDA shall be considered a part of this Agreement and incorporated herein. Notwithstanding anything to the contrary herein or in

the NDA, MITRE may disclose to third parties and publically the existence of this Agreement with Licensee, the technology licensed, and if applicable, the domain in which the technology will be utilized.

2. Title. The Software is the confidential and proprietary information and trade secret of MITRE. Materials, including, by way of example but not by limitation, all written materials, text or graphics contained in any media, and audiovisual materials, are the copyright works of MITRE. Nothing in this Agreement shall be construed to grant to Licensee any ownership or other interest in Software or in any materials other than the license set forth in Section 1 of this Agreement. All rights, including rights to patents, copyrights, trade secrets, or other intellectual property rights in the Software are and shall remain solely and exclusively in MITRE.

signed by an authorized representative of MITRE and Licensee.

10. Waiver and Severability. Any failure of MITRE to enforce, at any time or for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of the right of MITRE to enforce such provisions unless said waiver is in writing, and signed by an authorized representative of MITRE. If any term, condition, or provision in this Agreement is found to be invalid, unlawful or unenforceable to any extent, the parties shall endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on such an amendment, such invalid term, condition or provision will be severed from the remaining terms, conditions and provisions, which will continue to be valid and enforceable to the fullest extent permitted by law.

The foregoing restrictions shall apply and continue for a period of three (3) years from the Effective Date. This provision shall apply reciprocally with respect to the solicitation of employment of Licensee's employees by MITRE.

13. Governing Law. This Agreement and all disputes or claims arising out of or related to this Agreement shall be governed, construed, and enforced in accordance with the laws of the Commonwealth of Virginia without regard to Virginia conflicts of laws rules and Licensee agrees to submit to the exclusive jurisdiction of the Virginia courts.
